

## Placement Capsule Program

Dated: Aug 28, 2025

### To: Selected Students of B.Tech CSE, AIML, CSCQ, BCA MCA 2<sup>nd</sup> Year (Formation of Super Batch)

Dear All,

Quantum University has created the placement training opportunity for its B.Tech CSE, AIML, CSCQ, BCA and MCA 2<sup>nd</sup> Year students in the campus. External agency has been invited to give placement capsule program these super batches. University will also provide financial assistance to selected students.

**Aim of the Training:** Aiming to impart real coding skills to **QU students** and enable them to crack the entry level Coding Rounds of companies offering **10+ LPA packages**.

#### Training Highlights:

- > **TRAINING on Data Structure and Problem Solving at Quantum Campus in physical mode**
- > **100-hour Training**
- > **3+ Coding Contests**
- > Outstanding performers will receive **Advanced Training**, positioning them for opportunities with **top-tier companies**.

The agency has organized a coding contest on 27th August 25. On the basis of the contest results the following fee has been offered to the meritorious students:

Coding Contest Score	Fee (Student's Part)
100%	Nil
99-75 %	Rs.1000
74-50 %	Rs.1500
Below 49 %	Rs.4000
Absent in Contest	Not Eligible

University is going to pay the major part of the fee but it will be for limited students. Result has been shared with all the students. All such students may fix their seat by paying the fee in the accounts office and then submitting the fee slip to Ms. Reshoo Devi by 30<sup>th</sup> August 25 (Saturday).
